Fruit rolls

Preparation: xx min. Cook time: xxx hours. Serving: xx

Ingredients:

Fruits of the season
Ex: blueberries, raspberries, strawberries…

Preparation:

Mash the fruits.
Cover a baking sheet with parchment paper.
Spread the mix on the sheet
Bake at 100 °F for a few hours, depending on the type of fruit and the thickness.
Let cool and cut into bars or stripes.
Can also be rolled with the paper.
Store in the refrigerator.
